

## Simple Handmade Jewellery

The reader can create his or her own costume jewellery, simply and inexpensively - brooches, ear-rings, necklaces, lapel pins, pendants, belt buckles, bangles, tie pins, hairslides, bracelets and chokers. There are over 200 projects in this illustrated book. Full instructions and photographs show the reader how to assemble a wide variety of materials, such as mother-of-pearl, beads, diamante, gilt chains, watch-parts, feathers and leather to produce a unique collection of impressive costume jewellery. The reader can even learn how to transform modelling clay and painted glass into unusual hand-crafted jewellery. Designs range from classic to modern, discreet to bold - something for every taste.
