

Dusu: Path of the Ancient #4

I have what you crave. After destroying Dusus village, Delgoth has followed the Cats scent to Ujoa. Descending upon the city with a barbarian horde, the Wolf found not what he sought, but what he needed... the perfect bait. As the city burned, Delgoth claimed his prize, Idanya, Dusus human girl. The ground rumbles as the fury of the wild elves and the hunger of a newborn Ancient descend upon the city. This is dark, brutal fantasy as you have never seen it. Powerful storytelling and lush artwork, Stranger Comics Dusu: Path of the Ancient will echo like a primal scream within the deep recesses of your imagination. -- LLOYD LEVIN

(Watchmen, Hellboy, Boogie Nights) Once again, Sebastian A. Jones and Stranger Comics have cleverly combined classic elements of pulp adventure with their own unique brand of dark fantasy, resulting in Dusu: Path of the Ancient, a mythic tale that is wonderfully familiar and yet somehow completely original. -- ANDREW COSBY (2 Guns, Founder of BOOM!, Creator of Eureka) Dusu: Path of the Ancient stands among some of the best graphic storytelling I have ever had the pleasure to read. -- BALOGUN OJETADE (Komplicated, Sword and Soul)) Its as if Frazetta decided to do a graphic novel. -- MILTON DAVIS (Wagadu, Sword and Soul) Its rare that one finds a book full of lush painted tapestry that you can only describe as a masterpiece but Dusu is that, if not more. 5/5 -- RYAN FRASER (Black Heroes)
