

## Certified Paranormal Investigator: International Ghost Hunters Society Home Study Course

Ghost hunting is not just about EMF readings, taking photographs, or recording ghost voices. It is about helping people to understand about death and grief and how it might be involved with their haunting. Most do not understand the hardships that people must endure after losing a loved one or sustaining a devastating loss. The Certified Paranormal Investigator course is designed to acquaint the reader with the issues revolving around death and grief. This book is not a how to do ghost hunting, but rather a how to understand what is happening when dealing with people who have lost loved ones.
