Its useful for school libraries and handy for building vocabularies or for playing word games and completing crossword puzzles. Its a great gift-giving idea for those word gamers you love. If you like word games, writing songs, or creating poetry, you just might love BackWords. NOTE: Two reviewers said that the index isnt linking properly in their Kindles. Weve since revised it to work with Kindles Active Table of Contents and Go To guide items. If you have further ideas for making it more useful, please let us know!
