

Coyote Volume 2

The story of Coyote moves forward fast, as the son of the totem gets past his heartbreak by moving into a swinging singles complex in Las Vegas. Revenge scents in the desert air as he gets a job working for the mob, which works for the Shadow Cabinet. And he has his first run-in with the Djinn, a Middle eastern crime lord well see plenty more of. But best of all, he meets two sisters who will change his life in ways even the Trickster could never imagine.
