

The Lone Ranger Volume 8 (Lone Ranger Tp)

The legend of the Lone Ranger and Tonto lives on, in two-fisted tales from the Old West! Thrill to the famous masked mans adventures as he avenges the cold-blooded murder of Abilene marshal Tom Bear River Smith, rescues a stranded wagon and its precious cargo from a deadly Colorado blizzard, saves an elderly rainmaker from a lynch mob during a season of drought, pursues a high-strung outlaw after a botched bank heist, foils the train robbery by a war-obsessed Chiricahua renegade, and averts the starvation of an Arapaho tribe after pleasure-seekers hunt their only food source the American buffalo to near extinction. Also, Tonto takes center stage in a origin story that proves that a rider is only as good as his horse, as his escape from Fort Garland leads to a fateful first encounter with his trusty stead, Scout. Collects issues #19-25 of the comic book series, The Lone Ranger (Volume Two), complete with an art gallery by Eisner Award-winning artist Francesco Francavilla (Afterlife with Archie).
