Dali and Sanghyung are in love with two different people, but they feel a strange chemistry between them. The handsome teacher Orion promises to consider dating Sebin under the condition that she works hard in high school and attends college. But then Sebin's most vulnerable secret is revealed to the world. This revelation has Orion's coworker and late sister's friend urging him to leave the country. She fears that if he stays, Orion might share his sister's fate. Events teeter in a shifty balance, all set up to culminate in this mind-blowing volume of Pine Kiss!
