

# Proverbs- Everymans Bible Commentary (Everymans Bible Commentaries)

To think that the same God who spoke worlds into being, who wrought redemption when man had fallen, who shall bring in a new heaven and a new earth, should stoop to give instruction for the very details of His creatures lives! The Proverbs are as important as they are practical. You are likely acquainted with the Proverbs, but Irving L. Jensen will help you study the entire text. In this popular-level commentary, the well-known Dr. Jensen places the book of Proverbs in its historical setting and background and traces its development through exposition and accompanying charts.
