

## The Workbench: A Complete Guide to Creating Your Perfect Bench

In this fresh and contemporary look at the world of workbenches, Lon Schleining takes us on a guided tour of a wide variety of classic, modern, and specialty benches and offers hundreds of options for choosing or building that perfect bench and its accessories. The Workbench looks at the classic subject with a focus on helping readers find the right bench and accessories for their needs. The object is to guide the reader through making critical choices, including whether to buy it or build it. Even long-time woodworkers dream of the perfect bench and the time to build it, and for them the real enjoyment is in the planning. With 279 color photos and additional illustrations, this book provides in-depth information along with the inspiration to fulfill workshop dreams.
