

## I Hope You Dance

Named the CMA song of the year, I Hope You Dance is a challenge to make the most out of life: And when you get the choice to sit it out or dance, I hope you dance. This beautiful gift book by the Nashville team that wrote the song includes a CD with an acoustic version recorded especially for this book by Lee Ann Womack. This is the perfect gift not only for fans of Lee Ann Womack, but for a new graduate, for someone that needs encouragement, or for anyone who needs or wants to participate in the dance of life. If you can figure out a way to keep the energy and gumption and fire alive, you'll always stay young. And where there's youth, there's hope... where there's hope, there's wonder... where there's wonder, there's faith... where there's faith, there's chance... where there's chance, there's love ...where there's love, there's music... and dancing. So in my heart of hearts, I hope you dance.
